

Joshua Lewis

Laboratory Assistant, HJKRI, Wrabetz & Feltri Labs, and Beirowski Lab

Joshua Lewis received his B.S. in Integrative Neuroscience from Binghamton University in 2014. At Binghamton University he was involved in undergraduate research related to areas such as behavioral genetics and neuroscience.

In January 2015, Josh was appointed to a laboratory assistant position at the Hunter James Kelley Research Institute in the Wrabetz and Feltri lab part time. He was then appointed to a position of the same title within the Beirowski and Babetto laboratory part time in July 2015, as well.
